

Philad^a. Jan^y 11th 1845

Dear friend

It is a long while since I have written to or heard from you directly, but otherwise I have heard frequently. My 3rd Fact was out in season & will do good. I send some to the office Com. Hill was & you or Quincy or Garrison that took the responsibility for the 4th number. It is time to think of it. I hear that the Hutchinsons are going to Europe, won't they come here & give a farewell concert for the benefit of our State Soc before they leave, we would of course be glad to defray all the expence & say to them "thank you from our hearts, we are out of debt, by your kindness".

Think of a song putting us out of debt! I wonder how we should feel whether all our money would not be lost. Do you approve of it? If so will you say "Let it be". We are in fine spirits here, so the folks say. Business does not allow me to put my strength or help to the wheel.

Return you the letter you wished preserved.

I rec^d. Anne's letter about Native Americanism but it was not satisfactory, not enough convincing in it. I wish she would answer a pamphlet I send to her in the package of Facts.

Yours truly
over
Edw. Davis

Please give W.P. one of the tracts &
dispose of the others as you think best.
Gay is here, whether anti Slavery or Slavery
business; can't say, as I have not
seen him.
